Services

We warmly welcome carriers with air goods, electronic products, medical supplement, excise goods and/or any other high valued product. And if you want to park your trailer without a tractor, we also offer this service.

Actual services:

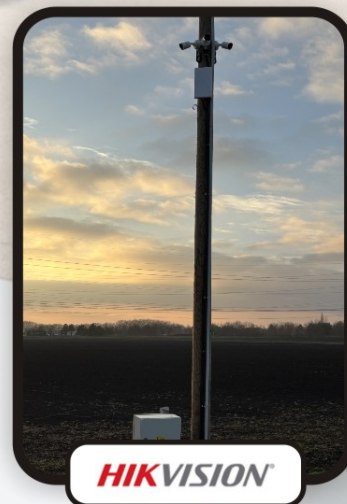

Industry level camera system (Hikvision ColorWu 6Mp)

This system was built by a well known provider (Hikvision) to prevent any unpleasant case. Hikvision is known for its high tech, industry level systems (ColorWu, 6Mp, Real WDR).

Mixing all these techniques enable us to have the maximum security. During the weekdays a complete technical staff is responsible for managing it.

Reception service:

24 hour reception service, constant video and personal controll.

Tapa partnership:

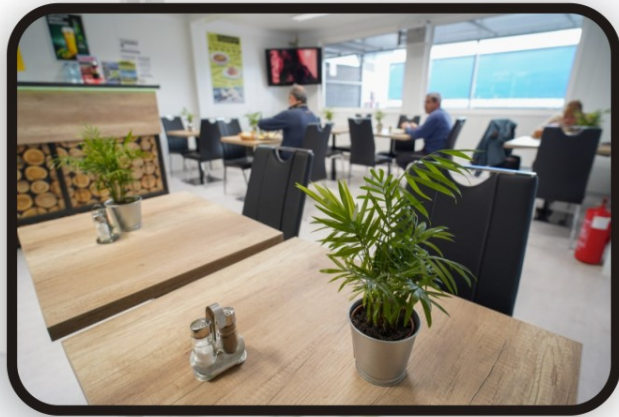

We constantly monitor Tapa's strict safety regulations, further enhancing the possibility of a safe, peaceful break. Automatically open the barriers on entry and exit based on the pre-defined number plates.

Automated entry with license plate reading:

In the case of a parking contract without obligation there is opportunity for an automatic entry and exit (based on the plate number).

Restaurant-Tertace

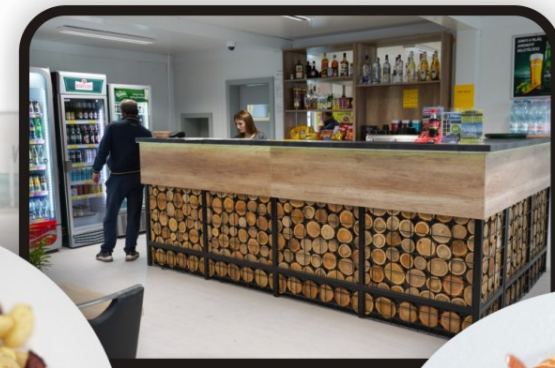

Air-conditioned terrace area

We have an air-conditioned terrace next to our restaurant for pleasant, relaxed conversations. There is also a coffee, soft drink and snack vending machine.

Restaurant and Terrace:

Hungarian and international tavern-style restaurant
Our restaurant awaits you with a rich selection of food and drinks, warm cuisine and a varied menu.
Our food and drinks are also available for takeaway, so drivers can enjoy fresh and delicious food at any time.
The restaurant offers special offers, freshly prepared hot dishes and refreshing drinks that will satisfy even the most demanding guests.
